

# GRAND OPENING

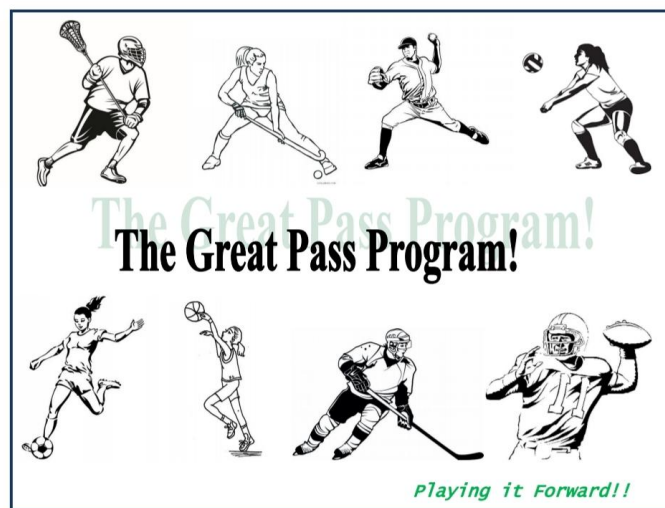

The Haverhill Recreation Center is proud to announce the Grand Opening of our new sports recycling program – “**The Great *Pass* Program!**” This program allows you to take your gently used sports equipment and *pass* them on to families who could use them. You can *pass* your equipment in as a donation or you can swap your equipment in for a different size or even a different sport!

Equipment can be *passed* in at:

Haverhill Citizen Center

10 Welcome St, Haverhill, MA 01830

Please contact the Recreation Director, Ben Delaware at (978) 374-2388 x3938 or [bdelaware@cityofhaverhill.com](mailto:bdelaware@cityofhaverhill.com) if you believe you have items that could be used in our program.

The Great Pass Program! was started in September of 2019 by Rowan Kelly, Grace Grauwiler & Brianna Piraino as their Girl Scout Silver Award project. It's their mission that all the children of Haverhill have the opportunity to play sports!

***Pass it on!!***
