Job #2019-022

ANTICIPATED OPENING **PLEASE POST**

POSITION: Waste Reduction Coordinator (Full time)
Public Works Department (Solid Waste/Recycling Division)

HOURS OF WORK: Schedule to be determined
40 hours per week (non-union)

SALARY: \$39,500 - \$44,457.60 per year (partial grant funded)
(According to Salary Schedule)

GENERAL STATEMENT OF DUTIES AND RESPONSIBILITIES:

The goal of the Waste Reduction Coordinator is to help educate Haverhill residents about the automated trash cart collection and recycling programs, answer questions and troubleshoot issues that residents may have regarding the program and assist in enforcing all solid waste and recycling programs. This will be accomplished through an educational campaign and outreach material in efforts to ensure that the City of Haverhill's residents are educated and aware of future changes to trash collections. Coordinator will help carry out outreach activities in conjunction with an outreach campaign to notify residents of the City's trash and recycling programs.

ASSIST WITH PROGRAM GOALS:

Position will assist with attaining the goals and objectives of the cart collection and recycling program by communicating with the appropriate program managers such as the Highway Superintendent and the Solid Waste and Recycling Coordinator.

ASSIST WITH OUTREACH AND EDUCATION:

- Communicating general rules and best practices to residents and others for cart setout (e.g. location placement, obstructions, trash limits, bulk items, overflow program, etc.).
- Answering phone calls regarding the wheeled trash cart program, recycling and compost programs.
- Communication tools used for the programs (e.g. press releases, municipal web site information, billing inserts, direct mail, notices at community centers, public access cable TV announcements, etc.).
- Provide assistance for public meetings as part of the outreach program.

CONDUCT SITE VISITS AND MONITORING OF ROUTES:

- Conduct site work or home visits for residents who wish to have further education.
- Monitor all trash & recycling routes for problems with collection.
- Implement appropriate educational actions for those residents found to be struggling with the rules or regulations in accordance with the City's Board of Health regulation.
- Assist in managing over 20,000 trash carts by delivering new carts, conducting repairs, and assist with billing and other tasks associated with trash carts.
