POSITION: COVID-19 Contact Tracing Nurse – Part-time
(Civil Service Position)

HOURS OF WORK: Up to 19 hours per week (as needed)
Schedule to be determined

SALARY: \$30.00 per hour (Non-benefitted position)

GENERAL STATEMENT OF DUTIES AND RESPONSIBILITIES:

This position will provide COVID-19 case management, investigation and contact tracing. Responsibilities include:

- Contact all new cases to perform case investigation of symptoms, contacts and employment.
- Assess symptoms and refer to healthcare providers as needed.
- Refer and assist in community resources as needed.
- Provide isolation documentation as required by the Department of Public Health (DPH).
- Contact all named close contacts and provide quarantine information as required by DPH.
- Perform daily phone calls to cases and contacts to evaluate COVID-19 symptoms.
- Provide COVID-19 information including symptoms, testing sites and resources.
- Monitor all cases and contacts until quarantine/isolation period is complete.
- Perform other duties as assigned by the Community Health Supervisor and/or the Human Services Director or designee.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

QUALIFICATIONS:

Must have nursing/medical background and experience (LPN or RN status). CPR certification, valid driver's license required. Must have excellent computer skills (proficiency in Microsoft Word & Excel products) and be able to maintain spreadsheets/computer files/databases. MAVEN and MIIS experience are helpful.
