

City of Haverhill

Memorial/Commemorative Bench Program

Commemorative Benches:

The City of Haverhill offers the opportunity to purchase a bench with an engraving to memorialize a loved one or to commemorate a special event. Benches are placed in parks, parkways and other public places. Standard bench models have been selected based on their durability and the desired aesthetics. The cost of benches varies with its chosen length and whether you wish to install a personalized engraving.

Options:

The engraving is limited due to space constraints. The benches are offered in various colors with lengths from four to eight feet and vary in cost depending on size selected. The City reserves the right to approve the engraved wording as well as the location of the bench.

Depending on bench size and engravings, bench prices can range from \$ 1,100 to \$ 1,500. Bench sizes range from 4 to 8 feet in length.

Sponsorship Process:

Checks for the benches should be made out to the “City of Haverhill Bench Program” and mailed to 500 Primrose Street, Haverhill, MA 01830. As the cost of the benches and the location availability may change, please contact the Highway Department before sending a check.

For further information, please contact the Highway Department at 978-374-2364, or via email highway@cityofhaverhill.com
